

About Us

Welcome to Becker Farms, a place where you can experience the same care and compassion as a team member that our guests sense every day when they visit the farm. Becker Farms is a family owned and operated agri-tourism destination specializing in service, hospitality, and quality artisan products. Our establishment consists of a real working farm, Bakery, Winery, Brewery, and Private and Public events divisions. With over 50 team members and over 50,000 annual visitors it is up to us to shine as our customers experience what we have to offer. Not only will this position give you flexibility in showing your creativity but will provide you with a great learning experience and leave you with an invaluable sense of accomplishment.
